TPP {TransPacificPartnership/Corporation}

The TransPacific Corporation is an extension of the United States of America Corporation or Incorporated which created slavery by designating Africans as property such as cattle at 3/5 human. This announcement was made in 1964 by Ronald Reagan as the New World Order, which is exiting its' Jubilee. The New World Order through TPP will submit all people to the will of the Corporation, Mass Slavery. The United States of America Corporation effectively was dismantled by passage of the Civil Rights Act of 1964.

The wound of the beast was healed through the oath of sacrifice as animals, a creation of satan, Black people were fed to the Beast legally by oath of the United States of America forefathers. George Washington is on the One Dollar Federal Reserve Note. He represents the "evil in high places." A Deed is a Contract or Oath, and it is by their 'deeds' that we should know them. The Covenant is to God Almighty as Federal Reserve Note is to Satan. The former eternal, Latter artificial.

The Book of Enoch states that man shall not affirm their faith by ink and pen. So, this TTP contract is actually a promise note of bondage, submitting people to corporations. These associations are secret oaths, and not transparent. The Devil is definitely in the details, of which, the United States of America Corporation does not want the masses to see, eye on p-note.

This agreement, as is the case in the same sex legislation being instituted by Obama, must be instituted by an African descendant bloodline and not the European bloodline which stole the legacy.

This Partnership, which is between those same fallen spirits that betrayed the Almighty Crea

tor, and the European oppressors consisting of the Crown, Roman Catholic Church, and other families throughout the World who use the guise of "Business" Welfare, to enslave the masses.

ONLY THIS TIME IT WILL INCLUDE WHITE PEOPLES

When Our Shops Close,.....So Will Yours

If we can't do our Business, you won't be able to do Yours. If you think you will be able to market your product when we can't care for The Almighty Creator plants, you are not living in reality. REMEMBER: YOU SHALL SEE THE SIGNS OF THE TIMES. This will be the result of the deeds of man and their oaths with the fallen evil spirits that hate GOD

Bruce Jenner Is **Bruce Jenner**

Don't let the television fool you. Bruce can never, and could never give birth to a baby. Don't give way to this program being disseminated. When Bruce Jenner dies from this physical realm he will be judged the same as all those that followed the ways of evil. The Almighty made him a world class athlete. Satan turned him into a spectacle. You can use the URBN equation for this, and determine for yourself the deception. This is a part of the "New World" Reagan spoke of. Those snakes on that lapel can change you. Hey Bruce! Thank you Bob Costas. Understand that these are the same people that give dead people awards and make them saints, as if they can determine anyone 'Holy', if that is what "Holy" means in the realm of christianity.

Did you know that the Blood and Body ceremonies conducted in the church are an abomination unto the Lord?

In Enoch we learn that man shall not kill man. Given that the Jews and Romans killed this 'Jesus', nothing coming from that murder can be "Holy". Both Moses and Jesus taught from Enoch and the traditional African teachings of creation and covenant.

In Enoch, Holiness is described as being without 'bread', and 'blood'. In fact, the fallen evil angels that began the drinking of blood ceremonies were banished to terrific chambers punishments for their deeds of war and murder, fornication, etc..

Clinton

He would not fight in the War, but sent people to die. Don't forget Jennifer Flowers, and Monica. He betrayed his wife and country. You voted for this, the sex demons from ENOCH..

The Beginning of the End of the Beginning

"We have the power to make things new again."

Ronald Reagan 1964

Did you know that Ronald Reagan on October 27, 1964 at the Republican National Convention, New World Order Speech, was actually the announcement of the End of the Era of the Catholic Church{the beast} and Religion emanating from the murder of 'Jesus' and others murdered, establishing christianity?

The next day, October 28-29th, the Son of Man, is Born of Mary the 'Hor.. Unlike the Virgin Mary and Jesus Birth. The Balance.

In Enoch, we understand that the number of the righteous has been met, and by this, those accountable righteous and chosen are present.

The Beast or Catholic church when it murdered John F. Kennedy, a president, or King in 1963, ended the reign of the Beast as it devoured itself.

The murder was to prevent the Civil rights amendment, and war which signifies the end of the oath between the Europeans and the Fallen Angels within the constitution(slavery).

In the summer of 1964, President Johnson signed it, and Reagan made a deal with the Evil Spirits, changing parties, announcing the End of the 2,000 year reign, and the birth of.....(It is on the disc)

The Abomination of Desolation

Women Don't Worry

Women usually comment on the birth of a baby and the difficulty thereof. Did you know that when the judgment comes it will be far worst. You won't be able to look in a man's face that is being judged because the pain of birthing all that sin of them will make child birth pale in compare

Why Hospitals Exists

Hospitals primary roles are to maintain the bodies of the unrighteous who come into oaths with those angels that chose to transgress against the will of the Almighty. Because the christian era or the era of the blood, or war began by the romans and jews and oathed with the united states through the crown in britain. There will be no more victories of blood for this country. This is why the doctors are trying to keep Cheney and Bush, the last remnants that consorted with those fallen angels alive. It is for the difficulty of keeping this continuum that Hospitals are established to lengthen the lives of those that do the will of the evil spirits. There is no coincidence that the serpent is their symbol. This is why The Bush Administration can condone torture and use the serpent, doctors, to inflict this torture which includes rape and sodomy, the nature of the beast.

Dr. Jill Stein is Right.

When Adam is said to have been ashamed of coming before his creator it was because of clothes. We caught that very fallen evil spirit that enticed people into wearing garments. Read No For Sale, the Disc.

HASTERT

Dennis Hastert is from Illinois, as is Obama, and from that Monster in the Midway, not only did we get the executive order for same sex marriage, we find out why Illinois. Hastert is a homosexual, pervert and child molester. Does anyone ever wonder as to why the New York congressman Foley got off so light. Jesse Jackson is from Illinois, what happened to that congressional investigation of his son. What about Clinton, all sex scandals. The oath of sex and sin cannot be broken at any level. These are the same people robbing the poor public school system in Chicago and turning it over to Wall Street.

Read the Disc. SECRET DEALS

Saddam and Khadafi

Ronald Reagan began this event with the Iran Contra scandal. These murders can be linked to oil resources. The United States made several wars and created many more disturbances across the world. Obama and Bush will be judged as kings who unrighteously killed kings. Obama said in Philadelphia that October day that he would do a good job. He was given his thrown based on that and will be judged accordingly. As I was sent to witness this, it is witnessed that he did not do a good job and will visited as the fallen evil spirits. This took place outside of the Philadelphia Inquirer Building on Broad in Philadelphia. It was recorded by the media. Read about it on this disc, and research it yourself and see the film..

If you voted for This President.....REPENT.

Oaths and Pen

By the pen man made oaths, and Enoch states that man should not confirm his faith by ink, oaths. The oaths man takes are therefore an incorporation between the evil spirits and man. The fallen angels The one thing important to know is that these oaths, no matter in treaty or marriage, the bonds are broken. There are no bonds contrary to creation that survive Oaths were made by the fallen to carry out this plan against creation. In man, it culminated in the United States Constitution; sealed with the 'blood' as the church is sealed in its testament in 'blood' The Old Testament is consumed with the murder and occupation with sacrifice and blood. Read Incorporated, Quantum, Tolerance on the disc.

CHEMTRAIL AIRPLANE EMISSIONS

Reported on MSNBC by Chris Hayes, Chemical Trails are fake as reported by the EPA. The media is the arm of the EPA. MSNBC and EPA officials are together on the destruction of the planet, one regulates the disasters such as Oil Sands to poisoning. The other controls the population control news. Don't forget there are 'safe' quantities of poisoning. We know this because they reported more on LeBron James than news. (June 10, 2015).

The Spirits of the Lord of Spirits is come. The Kingdoms of the World are the Kingdoms of the Almighty Lord of Spirits, Alpha-Omega, King of King, Lord of Lords, All that is Holy. Blessed be forever and ever the Lord of Spirits.

Australia

The Land down under is the extension of the crown. The same slave mentality. Now that e-data, and other forms of media information is available, we can understand the senseless responses we get from Europeans when they say: "We didn't know... what can I do?"

Look at the modern day slave system in Australia, which is disguised in the United States by way of the better financed prison industry.

How long did it take for them to eliminate 'sort of' Apartheid in South Africa, and open segregation in Israel?

They receive Black tax dollars to help with their murder and discriminations.

The same people of the same corporations from Disney to FOX are committing the same acts demonstrated here in the United States by Yale, the slave merchant. The Native people, and the Black people of Australia encountered the same fate as Natives of occupied America and modern day Africa, as there seems to be an effort to further corrupt South America.

Will Delladova and Gortat go back to Australia and tell them down there? Black people help win championships....but, that's it.

Black people are okay when they help white people even to their own detriment. It is called doing it the 'right' way. That includes every native peoples that European colonization polluted by them and their fallen evil spirit associates.

China

This east will meet the west.

Germany

The pope in the background is Ratz..., He was a soldier under Hitler, and the current pope is from Argentina, where Hitler was said to escape and die. That spirit has regrouped in Rome. The alliance between England, Germany, Rome is in tact.

Africa

Precious metals here or petroleum and other rare earths from South Africa to Nigeria, or Congoland, contributes to climate issues and pollutions and contaminations throughout the world. The recent laws being imposed by the ISIS group in the middle east forbids the dumping of contaminants into the rivers and waterways. The United States of America and Canadian Governments allow the Incorporated to destroy the water, animals and crops by poisonings and mining.
